- (For sample you can log-in www.niceoverseaservice.com)

Being a government recognized organization which is in the field for the past 20 Years. The corporation maintains computerized Data Bank in which bio-data of personnel in various disciplines right from Doctors and Engineers down to skilled and unskilled categories are maintained. A part from Data Bank, candidates are mobilized through publishing advertisements all over India, as well as publishing on Search portals like "Google" etc.. The entire cost of advertisements is borne by NOS for bulk requirements, In other cases, the cost will be shared between NOS and the client.

As per the client's requirements, NOS screens several candidates and prepare the list of the best suitable candidates and once the short listing is done we serve the resumes right on the client's desk. In case of conducting interview by our respective clients, interview is arranged at suitable location nearby, as per the convenience of our clients. In case of bulk recruitment, interview can be arranged at any centre in India.

NOS has a highly talented group of team to look after the responsibility of receiving the Delegates at airport and arranging hotel accommodation for them. Since NOS is a corporate member in all the Star hotels at all the metro cities of India.

NOS holds the selected candidates after their medicals and as soon as Wakala authorization is provided, our team will complete the relevant formalities from Visa Stamping till the Emigration Clearance and deploy them with in period of 45 working days.
